Peace and Allah's mercy and blessings be on you

O Lord make us all successful for the protection of the religion and the restoring of the religion of our beloved Muhammad Allah's blessing and peace be upon Him and strengthen our Sheikh and who are with him over our enemies drop us as thorns in their hearts you truly are the Hearer the Strong the Most High Lord of the great throne

In the name of Allah the Gracious the Merciful

My brother in Allah I already offered to the brother my purchasing of his computer but he does not have a desire in selling it to me because he does not like to sell his things so for this I truly prepare to buy a personal computer Allah willing in a short time I will possess the money [UI] Allah willing and but it is a [UI] of time because the life's subsistence is very high and but thank Allah I have the job and it is a matter of a week or two weeks from now and in regard to the car I already lost it it already cost me a lot of money and but there is no hope for it so I already lost in it a lot and the means of transportation will be a little difficult and but facilitated from Allah to Whom be ascribed all perfection and majesty so all the works that we do are facilitated by Him to Whom be ascribed all perfection and majesty for already our beloved Messenger said "... it may be that you dislike a thing while it is good for you. ..."

So it is the matter of patience and they will be Allah willing blessed strikes coming so I am truly venturing Allah willing that I become close to the brother Hussein and but I have to prepare myself so I become suitable and our path becomes facilitated Allah willing

And at that time by Allah we will show them who we are Arabs people of Muhammad we will put them to the ground as we put the Romans before them

Them and their devils so [UI] blessed Allah willing

May Allah bless you my brother we have a meeting after the victory

Allah willing

I want from you a promise that we have a meeting after the victory and the success
And I will exert all that Allah gave me from strength for the steadfastness of this nation hopefully
the paradise will be our houses and may Allah prolong
Your life and give you success on what you ask Allah willing
Peace and Allah's mercy and blessings be on you
